

## Youth Engagement, Motivation and Beliefs Survey

### Youth Version

**Instructions:** The purpose of this survey is to find out more about youth and youth programs in King County. Our goal is to help make out-of-school time programs better for you and other young people. This survey should take about 20 minutes. Below are questions that ask about you and some of the things you think and feel about yourself and your afterschool program. This is not a test. There are no “wrong” answers. Please choose the answer that is most true or most like you.

This survey is completely voluntary. You do not have to answer any of the questions if you don’t want to, and you can stop doing this survey at any time. This survey does not have your name on it, so everything you write is confidential, which means that no one (not your parents, teachers, school staff or other students) will be allowed to know how you answer these questions.
