

IDENTIFYING EVALUATION STAKEHOLDERS

Use this matrix to think about your evaluation stakeholders and their interests and influence. This can help you to establish an engagement strategy for your evaluation work.

Stakeholder Group	What is this group's interest in your program's success?	How does this group influence your program's success?

Youth Development Executives of King County

Working together to advance the youth development field

Stakeholder Group	What is this group's interest in your program's success?	How does this group influence your program's success?
